A cozy and inviting room at the newly debuted Belden House in Connecticut

### **BEST NEW WEEKEND GETAWAY: BELDEN HOUSE, CONNECTICUT**

From the visionaries behind Troutbeck, Belden House is the getaway. Nestled in Connecticut's scenic embrace, it's where rustic meets refined and cozy meets chic—think crackling fires and perpetually plush blankets. For city slickers craving pastoral elegance, this is high-style unwinding at its best. *33 North St, Litchfield, CT, [beldenhouse.com](http://beldenhouse.com)*
